We have been working on an exciting new WEBSITE which should debut shortly, and we need a Webmaster to manage it. If you have technology expertise, SLAM NEEDS YOU! In the same vein, if you would like to submit an article for the Website, or have pictures to include in our Website content, SLAM welcomes your input. We'll need lots of writers and photographers to keep our content fresh and interesting.

Please contact SLAM President Cathy Kohn (cckohn@cckpc.com) for more information and to volunteer to serve.
